

Payroll Services

Congratulations on becoming an employee at University of Central Missouri. As part of the onboarding process, an employee ID, referred to as a 700#, has been created for you. This number will serve as a unique identifier for all University systems.

The University uses MyCentral, a web-based employee self-service portal to display and distribute information to employees of the University. An employee dashboard has been created on your MyCentral employee self-service portal.

As a part of the onboarding process, 4 default values of Single
and make the necessary changes to your
choices. To access this information please
